Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

Limiting ALL specialized pharmacies (Madison Pharmacy Assoc.) would be like limiting the facilities of Mayo Clinic to Minnesota! This service has made a very important improvement in my life. This tailored service of hormone therapy is much needed for all women. It would be a disservice to many women in our area to who need this "specialized pharmacy. Our (my) quality of life would be in jeopardy and compromised
